

# ESPN BOARD EXAMINATION in PEDIATRIC NEPHROLOGY

In 2020 ESPN will start with annual board examination in Pediatric Nephrology. The examination will take place on November 21, 2020, via an online platform.

Those who successfully pass this examination will receive 'ESPN Board Certification in Pediatric Nephrology' as a quality label of theoretical knowledge and adequate clinical thinking in pediatric nephrology.

The examination will consist of 100 case-based questions covering all aspects of pediatric nephrology, including pediatric dialysis and transplantation.

For preparing to the examination, please consult [ESPN curriculum in Pediatric Nephrology](#), and lectures from Junior Master Classes on [ESPN website](#).

For those who are interested to participate, registration information will be sent closer to the date of the examination. The registration fee will be 10 euro's for ESPN members, and 25 euro's for non-ESPN members.
