

Fellow of European Society for Pediatric Nephrology (FESPN) 2024

Apply for Fellowship

To apply for fellowship, applicants must meet 4 of 6 pathway requirements and be ESPN-member for the last 5 years:

1. ESPN or National Activity

Serve ESPN or national societies in one of these areas:

- + ESPN Council or national societies
- + ESPN Committee or another panel (such as member of ESPN working groups)
- + Reviewer for ESPN abstract submissions

2. ESPN Annual Meeting Attendance

Attend at least 2 annual ESPN meetings during the last 5 years. Ideally the candidate has oral or poster presentations during the ESPN meeting.

3. Board Certification in Ped. Nephrology

Submits a photocopy of the Certification of Accreditation in Pediatric Nephrology issued by ESPN, the responsible national authority or submit an equivalent credential (from your hospital, university or national society)

4. Grant Support/Funding

Receive peer-reviewed, extramural support within the past five years from a federal entity or non-profit organization

5. Publications

Publish at least 10 articles in peer-reviewed journals or in the five last years.

6. Teaching

Teach at least 30 hours in a local, state, national or international instruction in nephrology during the past two years (submit one letter from your hospital, university or national society)
